AUGUST REVIEW

With only a couple of weeks of school this month, the kids were busy learning new lessons and reviewing past lessons.

For Bible Study all classes were read "The Creation". Bible Verse for all grades was "In the beginning God created the Heavens and Earth." Genesis 1:1

All classes had Armenian story time and created seasonal art.

K-2 started with the circle shape, the color **RED**, and number 1.

BACK TO SCHOOL NIGHT

On the first day of school, Pre-School hosted their **BACK TO SCHOOL NIGHT**. Parents came to school and had the opportunity to meet the teachers, principal, our wonderful director, make new friends and run into old friends! It was a delight to see familiar faces and new faces.

K-3 also began with the circle shape and the color **RED**. Learned to write the numbers 1 & 2, letter A-a and an Armenian Alphabet.

K-4 reviewed the circle shape, numbers 1 & 2, and the color **RED**. A letter from the Armenian Alphabet and Phonic sounds for letters A-a and B-b in addition to vowels U & E. At story time they were read "The Little Red Hen".

They made ice cream, crafts and enjoyed their own bowl of ice cream and sprinkles! Each student made Rice Krispy treats with their class colors...and of course with sprinkles!

This year the Pre-School has many goals ahead and the only way we can achieve these goals is with your help!

We look forward to a great and successful year!

MOVIE NIGHT

Once again our wonderful PTF hosted Movie Night on Friday, August 28th in the quad.

The weather was perfect, the food and snacks were perfect, and most of all the crowd!

Family and friends gathered around the big screen to watch Big Hero 6, eat pizza, and munchies from popcorn to dough-nuts from California Donuts and all the snacks in between. We also had a booth for DoTerra Essential Oils to help educate our school on healthy living. As expected, we had another successful and fun night.

Thank you PTF for organizing such a fun night!!

REMINDERS

Don't forget to bring in your recyclables!! Last year's Recycling Project was a great success. We would like to continue it this year. Each room will collect recyclables and use the return for their class needs. Just bring in your bottles and cans (glass or plastic) and we will take care of the rest!

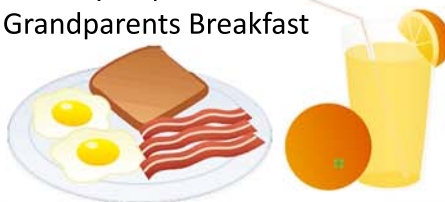

We are also collecting Box Tops. The class with the most collected will win a prize!!

The PTF at SMACS is always looking for new parents and fresh ideas! Help make a difference by joining our PTF.

MEET YOUR HOMEROOM MOM

As we all know it takes a village to raise kids and Sahag-Mesrob is the best village around!

Within our village we have many helpers, which is why we are the best!

Each Pre-K class has a HomeRoom Mom or two, possibly three. The HomeRoom Moms will work along side with your child's class teacher to assure the kids have every tool they need to succeed.

If you have any questions you can feel free to reach out to your HomeRoom Mom.

This year we are lucky to have the following Moms volunteer their time to us:

K-2: Crystal Mardirosian

K-3A: Veronica Panossian, Mimi Aintablian & Maral Boyadjian

K-3B: Nicole Herrera, Talin Tatikian & Ani Keshishian
