Friendly Reminders

- Thank you parents for participating in our recycling program! It has been a BIG help! Each class is banking in the money to help out with classroom needs. Combined we have collected over \$300!!
- Thank you for all the BoxTops!! We will continue to collect BoxTops ALL year round. Our next collection is in February. Let's do our best to get first place again!! If you need collection sheets, please ask Mrs. Mary in the office.
- Parents we kindly ask to please not park in the middle lane during Drop-Off. The middle lane MUST STAY CLEAR AT ALL TIMES. This is because of safety guidelines and traffic control. Thank you.
- Students who show symptoms of illness such as fever, coughing, or runny nose should stay home for their own best interest and for the well-being of other students.
